## FOREVER VINEYARDS®

### Celebrate New Traditions

Forever wine is perfect for new memories. It is the wine you will keep coming back for and remember with fondness.

What is forever? Your first love, childhood memories, diamonds...or is it something else? Could it be a memory that erupts when you smell a flower or see a friend?

This Pinot Noir has floral aromas mixed with cherries and spice, followed by well-balanced flavors of strawberries, and a hint of cocoa. Enjoy with chicken, fish and pork dishes.
